

Title: is there any compatible version of SonarQube with Java 13

Post Body:

I am currently using SonarQube Community Edition version 7.7 on Java 8 JDK using Maven, I want to start evaluating OpenJDK 13 . Sonarqube doesn't support OpenJDK 13

Accepted Answer: None

Highest Rated Answer:

As per the documentation [here](#), it says SonarQube only supports JDK11 (Oracle or OpenJDK)
